

## Scoil Áine Mobile Phone Policy

We understand that *mobile phones* are a facet of modern day life and often for security reasons children may need to carry one.

The following is the policy of the Board of Management of Scoil Áine regarding mobile phones in our school:

Once the children enter the school the phone must be switched off.

- They are not allowed to:
  - Activate the mobile phone
  - To receive calls
- or**
- To send text messages

If this is breached the phone will be confiscated and the parents will be required to call to the secretary's office to collect the phone. If this happens twice the phone will be banned.
